

W O N D E

Wonde is used by many leading education software providers to connect and synchronise their systems with the required information from a schools MIS.

Wonde gives schools full visibility of the data they are sharing with each third party application via a schools portal. Please [click here](#) to find out more.

GDPR information

Wonde is fully committed to the GDPR, and alongside this, completing it's ISO27001 accreditation. Further information can be found below:

- [School Data & GDPR \(PDF\)](#)
- [Security Information](#)
- [Data Breach Policy](#)
- [Privacy Policy](#)
- [Data Handling Agreement](#)

If your schools uses Capita SIMS, we can confirm that Wonde are a SIMS Technical Partner. In addition, Wonde are also The Bett Show School Data Integration Partner.

If you have any further questions please email data@wonde.com
